## About This Game

Crazy Bowling is exciting game more than 10-pin bowling!  
Objective is to knock down all pins.

You can bend bowling lane by dragging screen after your throw, and control the ball.  
It's Crazy Bowling!

There is over 100 pins in some stage, and there are also stages that knock down a lot of distant pins.

Try and try, improve your skills, and complete all stages.

\*Coming soon - Achievement and Leaderboards.

\*Coming soon - Multiplayer
